Alma Mater, Ohio

When e'er we take our book of mem'ries
And scan its pages through and through
We'll find no days that glow so brightly
As those we spent at old O.U.
Within our Alma Mater's portals
We meet her children hand to hand
And when there comes the day of parting,
Still firm and loyal we will stand

Alma Mater, Ohio,
Alma Mater, brave and fair!
Alma Mater, we hail thee,
For we own thy kindly care.

Alma Mater, Ohio,
When we read thy story o'er,
We revere thee and cheer thee
As we sing thy praise once more.

Our Alma Mater calls us ever,
And love of country has its claim,
The one but makes us prize the other,
And thus we cherish both the same.
When Alma Mater sends us forward,
And in her name we stand in line,
Then we will serve the nation better,
For having gathered at her shrine.

Words and music by Kenneth S. Clark.

HONORARY DEGREE Recipient

DAVID BUTCHER

Public historian, genealogist,
and community advocate

David Butcher has dedicated his life to preserving the often-neglected history of Black communities in the Ohio River Valley. After graduating from Federal Hocking High School in 1982, Mr. Butcher worked in numerous jobs, but he worked tirelessly to preserve his community’s history, which he traces to his ancestors Hannah Tabler; her six children, William, Michael, Issac, John, Jesse, and Maria; and their father, Michael Tabler, who had enslaved them in Wheeling, (West) Virginia and emancipated them on January 2, 1830.

After leaving Wheeling, Butcher’s ancestors crossed the Ohio River and settled in Athens County in a community that came to be known colloquially as Tablertown. Although the town had been “officially” named Kilvert since the early 20th century, Butcher and community partners successfully lobbied to return Tablertown to its original name in 2024.

A self-taught genealogist, museum curator, and archivist, Mr. Butcher began his public work as a historian by proposing an exhibit on Tablertown’s history at Ohio University’s Kennedy Museum in 2003. Since that time, he established the Tablertown People of Color Museum in a pole barn on his property in 2018, which now attracts visitors from all over the world. In 2022, the Tablertown Museum gained nonprofit status, and Butcher serves as the Executive Director. Established with the goal of constructing a museum in Tablertown, Butcher’s organization recently received a \$500,000 AMLER (Abandoned Mine Land Environmental Reclamation) grant in 2025, and they plan to break ground on a new museum building in 2027.

In addition to earning an associate degree in Ceramic Engineering Technology from Hocking College in 1989, Mr. Butcher has received numerous awards for his work, including a Black Appalachian Storytellers Fellowship from the National Association of Black Storytellers (2022), the Community Award from the Athens Rotary Club (2024) and the State of Ohio Martin Luther King Jr. Award (2024), among many others.

You can find more information about David Butcher and his work at the Tablertown Museum by visiting tablertownmuseum.org.

GARRETT MEEK

Student Trustee,
Ohio University Board of Trustees

Garrett Meek is from Columbus, Ohio and attended Pickerington High School Central. He is graduating from the College of Business with degrees in Finance and Strategic Leadership and Management. Meek has served as a Student Trustee for the Ohio University Board of Trustees since April 2023.

He is an account manager for the Schey Sales Centre, vice president for the Pi Kappa Alpha fraternity, and president for the Interfraternity Council. He also enjoys being active with the Central Ohio Musky Fishing Club.

ACADEMIC Heraldry

The caps, gowns and hoods worn today in these Commencement Exercises are patterned after the attire of monks and students in the Middle Ages. Those who have earned bachelor’s degrees wear gowns with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long pointed sleeves. The holder of a master’s degree wears a similar gown, with long or short oblong sleeves that hang down in the traditional manner and open at the wrist.

Those possessing the doctoral degree wear gowns with broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the distinctive field of learning represented by the degree. Most of the color and meaning of the costume is found in the hoods. These are silk-lined with the color or colors of the institution conferring the degree. As can readily be observed, the official colors of Ohio University are green and white. The border of the hood is velvet and its color signifies the field of learning to which the degree pertains:

CEREMONIAL MACE

For centuries, the mace has been used as a symbol of authority. Today, it represents the authority of monarchs, legislatures and universities around the world. Designed by the late Professor of Art David R. Klahn, the Ohio University Ceremonial Mace is modeled after the balustrades of an original stairway of Cutler Hall, the oldest building on the Athens campus. It features the University seal and a stylized representation of the Cutler Hall cupola. The mace is carried and displayed during official ceremonies at Ohio University, including Commencement.

THE SEAL of Office

Worn by the president at official Ohio University functions, the Seal of Office also was designed by the late Professor Klahn. Fabricated of silver and bronze, the primary medallion features a silhouette of Cutler Hall, the date of Ohio University’s founding (1804), and the words “Ohio’s First University.” The secondary medallion, at the back of the chain, is the University seal. Smaller medallions, replicas of the two center portions of the University seal, are alternately interspersed with the chain’s links. The Seal of Office was created for the inauguration of President Emeritus Robert Glidden in 1994 and will be passed on to future presidents of Ohio University.

HONORS Information

HONOR CORDS

Undergraduates graduating with honors are wearing honor cords. Those graduating with honor, or cum laude (accumulative grade point average of 3.5 to 3.749), are wearing bronze cords; those graduating with high honor, or magna cum laude (3.75 to 3.899), are wearing silver cords; and those graduating with highest honors, or summa cum laude (3.9 to 4.0), are wearing gold cords.

Students who graduate with honors must complete 30 semester hours of coursework with letter grades in residence at Ohio University and must complete a bachelor’s degree. Graduation with honors does not apply to recipients of associate or graduate degrees.

A special notation appears on the diploma and in the Commencement program for students who graduated with honors.

OHIO HONORS

The OHIO Honors Program expands on traditional honors education by adding a focus on experiential learning. OHIO Honors students take on challenging coursework throughout their undergraduate experience, but also apply their learning in the real world through internships, partnerships with community organizations, hands-on research and other co-curricular activities. Students complete an average of two honors experiences per semester, about half in the classroom and half in other settings where they can apply their learning to different contexts. Designed to complement any major, the program connects students with fellow scholars across the university to explore ideas and issues from a wide range of perspectives.

Undergraduates who are graduating with OHIO Honors appear with a special notation on their diploma and in the Commencement program.
